About me: life purpose

My life purpose is to build and run my own company in the technology sector, where I can innovate and create solutions that impact society. I want to live in the city of my dreams, surrounded by inspiration and opportunities to grow both personally and professionally. My happiness will be found in the balance between my work and my family. I also have the ambition to be recognized as one of the best women in business, helping to empower other women and help future generations of women who are interested in business and technology to pursue their dreams.
